Business Arising from the minutes

- Gift cards will be purchased
- Sign fundraiser raised \$240-well done

Treasurers report-see report

- Audit both copies sent in
- Discussion about who can sign checks
- Bylaws are in the file cabinet in the office

No correspondence

Committee Reports:

Pizza lunch-numbers are falling over last 3 months, only 21 orders were placed, there are posters up to inform students and extra forms are in the office, takes time & effort to organize so it's disappointing

Fundraising- all back orders were in and delivered

Hot Lunches-Inge went to an information session regarding the new requirements for food providers, elementary and high school students have been grouped together, a discussion surrounding needing clarity on what it means for our healthy choice component, choices for the lunches are going to be put in place slowly thus what & when the changes will take place is unclear

A "Curtesy & Compassion Fund" will be put in place for the staff at \$200. Someone on the committee next year will oversee the fund.

Outside Area-nothing at this time

New Business:

No new business at this time.

Wishing everyone a safe and relaxing summer!!
