

## March 2021 Trustee report

-Provincial Budget was announced at the end of February. Indications are that there will be little change to the overall amount compared to last years budget. Elk Island has not been told exactly what our budget will be other than it will be similar to last years. We won't know until we get the detailed break down before the end of March.

- The province released the building projects and Elk Island did not receive any funding for our top two requests.

Latest covid update- 3 cases in the previous week. There were more last week. None were in Fort Saskatchewan.

The Board is hoping to open our schools in Sept. as near to normal as we can.

Manitoba government has brought a bill forward replace all elected school boards, except for the French school division, with community school councils and a provincewide advisory board.

March 18 board meeting:

-updated policies:

12-Role of the superintendent

12-Appendix -performance assessment guide.

20-Assessment and reporting of student learning

21-Expense transparency

-Received for information the unaudited financial report for the first half of the school year.
