## **Covid-19 Protocols**

We will be adhering to the Covid-19 guidelines of our School Division and of EIPS Athletics. Here is a short breakdown:

1. The tournament schedule has been created so during pool play only 2 schools will be in each gym at a time. Teams are suggested to only arrive 15-30 minutes ahead of their game time to give opportunity for teams to leave and the benches to be sanitized before the next teams enter the gym.
2. Teams will need to leave the gym upon the conclusion of their games and will need to wait until the scorekeepers have sanitized the benches before entering the gym.
3. Coaching staff will be required to wear a mask at all times. Athletes that are not playing and on the bench are required to wear a mask as well.
4. Teams will be required to wear masks upon arrival and departure of their games. Once on the playing surface they can be removed (during warm-ups and while on the court playing).
5. Following a match, participants are to line up on their side to congratulate the other team. Please avoid handshakes, high-fives and/or hugs.
6. **Spectators are not permitted to attend games in person.** We understand there are unique situations regarding drivers and chaperones with travelling teams. Please email me if you have any concerns. The games will be livestreamed on the Ardrossan Jr. Sr. High School YouTube page.

Thank you for your cooperation and we are very excited to be able to host this tournament for you this weekend.
